

## Now, **NEXIUM 24HR** is one of your **FREE** OTC drugs!

Your health plan offers coverage for certain over-the-counter medications for FREE! The following over-the-counter medications are available under this benefit:

- **NEXIUM 24HR**
  - Effective 7/1, Nexium 24HR will be available to you for no cost over-the-counter.
  - Effective 9/1, Nexium 24HR will be *the only version of Nexium that is covered by your Plan.*

### Other OTC drugs available at no cost to you:

- Zantac 75, Tagamet HB, Axid AR and Pepcid AC;
- Prilosec OTC (14, 28 and 42 day supply) when used as the legend version for Prilosec or Omeprazole which are available only by prescription; and
- Claritin/D / Loratadine/D
- Zyrtec (cetirizine) and Zyrtec-D 12 Hour (cetirizine/pseudoephedrine)
- Prevacid (lansoprazole)
- Zegrid OTC (Omeprazole OTC)
- Allegra OTC
- Allegra-D

Remember, OTC medications do not legally require a prescription, but to have OTC medications covered under your prescription drug benefit plan, you must obtain a written prescription from your doctor and present it to a pharmacist to be filled.

### How do I get an OTC medication filled with my benefits ID card?

1. Tell your doctor that your prescription drug plan covers the OTC medications listed above.
2. Obtain a written prescription from your doctor for the OTC medications above.
3. Take the OTC prescription to a pharmacy to have it filled.
4. Tell the pharmacist that your prescription drug plan does offer coverage for OTC medications on the list above.
