VezaHealth for Your Health

VezaHealth is a **FREE** voluntary service offered to employees and their dependents who have health coverage through Advantage Health Plans Trust. VezaHealth can help Members navigate the health care system, understand confusing diagnoses, or maximize their plan benefits. Contact a Kempton Care Advocate or a VezaHealth Registered Nurse for more information about this amazing free service!

When should I call?

There is **never** a wrong time to call VezaHealth. We can help if you or a loved one have:

- Received a new or confusing diagnosis.
- An unmanaged or chronic health condition.
- Been told you need a surgery (e.g. knee replacement) or a procedure (e.g. cardiac catheterization, stress test) and would like more information.
- Questions or would like to talk to someone about your health care needs.

How can VezaHealth help me?

- **Dedicated RN Care.** Jaime, the VezaHealth Registered Nurse dedicated to serving AHP Members, prides herself on supporting patients needs and developing patient relationships.
- **Second Opinion.** VezaHealth offers Second Opinions with elite physician from across the country that specialize in your specific diagnosis. These are delivered via telephone so you can have access to amazing care from the comfort of home.
- **Benefits Advocacy.** VezaHealth partners with legal and benefit consultants to ensure you are getting the best care at a fair price and are maximizing your plan benefits.
- **Medical Travel Support.** If travel is recommended through VezaHealth and approved by the Plan, all medical travel will be arranged by VezaHealth and covered by the Plan.
- **Free for AHP Members.** All VezaHealth services are provided at no cost to you!
