

Important Information When Considering Portability Coverage

When your group term life insurance coverage ends, either because your employment has terminated or you no longer are eligible to participate in your employer’s group life policy, you have two choices for continuing your life insurance coverage: Portability or Conversion. While there are a number of differences between portability and conversion, some key considerations are:

- **Portability** allows you and your dependents to continue (or “port”) your Life and/or AD&D coverage at group rates. The ported coverage will be subject to the same provisions contained in your employer’s group life insurance policy. **Importantly, you cannot port coverage for anyone who has an injury or sickness which has a material effect on life expectancy.**
- **Conversion** allows you and your dependents to purchase individual life insurance policies (but not AD&D) at rates that may be higher than portability rates. The conversion policies you choose will not contain the exact same coverage you had under your employer’s group life insurance policy. **Unlike portability, conversion is available even if you or your dependents have a sickness or injury which has a material effect on life expectancy.**

If you believe Portability is right for you, read the information below to determine whether you and your dependents are eligible to port your coverage.

PORTABILITY COVERAGE IS NOT AVAILABLE FOR ANYONE WITH AN INJURY OR SICKNESS WHICH HAS A MATERIAL EFFECT ON LIFE EXPECTANCY. This means individuals diagnosed with, or having received medical advice or sought treatment for, any of the following injuries or sicknesses in the past 10 years cannot elect this coverage:

<ul style="list-style-type: none"> • Acquired immune deficiency syndrome (AIDS) • Amyotrophic lateral sclerosis (ALS) • Cerebral palsy with cognitive impairment • Chronic renal disease • Chronic lung disease, including emphysema • Cirrhosis of the liver • Congestive heart failure • Coronary artery disease, heart surgery, or transient ischemic attack (TIA) • Cystic fibrosis • Dementia, including Alzheimer’s disease • Diabetes other than gestational or diet controlled • Drug or alcohol abuse • Hepatitis B or C • High blood pressure concurrently treated with three or more medications 	<ul style="list-style-type: none"> • Leukemia, lymphoma or any cancer other than basal or squamous cell carcinoma of the skin • Morbid obesity defined as a Body Mass Index (BMI) greater than 40 <p><i>Calculate a BMI using the Center for Disease Control’s BMI Calculator online at http://www.cdc.gov/healthyweight/assessing/bmi/adult_bmi/english_bmi_calculator/bmi_calculator.html or call us with height/weight information and we’ll calculate it for you.</i></p> <ul style="list-style-type: none"> • Muscular dystrophy • Psychiatric hospitalization • Quadriplegia • Stroke • Systemic lupus erythematosus or any other rheumatologic disease

If you are not sure whether anyone applying for this coverage has an injury or sickness in the list above, then attach to this election form the name of the individual with the injury/sickness, his/her relationship to you, a description of the condition, and any current medications. Unum will review the information provided and let you know whether portable coverage is an option.

Important: When a life insurance claim is submitted to Unum on an individual who died within two years of the date that portability coverage became effective, Unum reviews medical records to determine whether the deceased individual was eligible for portability. If Unum determines the deceased individual wasn’t eligible for portability due to an injury or sickness which had a material effect on life expectancy, the beneficiary will not receive the portability amount elected. Instead, the beneficiary will receive a significantly reduced benefit (or possibly no benefit at all). Please see the Portability section of your employer’s group policy for an explanation of how the benefit may be reduced.

If after reading the information on this page you believe you and/or your dependents aren’t eligible to elect portability coverage, remember that you and your dependents may qualify for conversion coverage. Contact your employer for the conversion application form and rates.

If you believe you and/or your dependents are eligible for portability, continue to page 2.
